COUGAR

As time passes, the memory of your school days at Aquilla High will be somewhat dimmed. It is our earnest wish that this yearbook will help you revive and relive those memories.

Dedication

Because she so faithfully serves the community and the school, we are proud to dedicate the 1966 COUGAR to our beloved teacher and to a wonderful person, Miss Evelyn Hartis.

Superintendent's Message

Seniors, hold firmly to the dreams of your youth. Let nothing take them from you, and let no one change the conviction that you can make them come true. Then, with all of the determination that you possess, work hard to bring the fullest realization of those dreams that will make living for you, a complete and happy success.
